Facilities

Chilham Sports Centre offers a range of activities for the whole community. As well as the existing clubs listed in this leaflet, we welcome new clubs and associations as Centre users and have the following facilities available.

A 10 x 20 metre sports hall with a sprung wooden floor. Here there are basketball nets fitted and the floor is laid out for a wide variety of court activities, including badminton, short tennis and 5-side football.

The Centre is equipped with superb changing facilities with showers, including toilet and shower facility for people with disabilities.

Outdoors there is a well maintained playing field and football pitch. In Summer the field is also marked with a rounders pitch and running track. In addition, the Centre offers a successful tennis club with two floodlit courts.

A meeting room for up to 20 people and a kitchen complement the sports facilities and are available for any club meetings, including non-sporting clubs.

Ample parking is available for all users of the Centre or grounds.

Equipment available

Included in hire rates is the use of a variety of equipment stored at the Centre, including badminton nets with poles (also suitable for short tennis) and two table tennis tables with eight bats.

Booking

There is no membership requirement to book the Sports Centre.

The Sports Centre can be booked by individuals, families or clubs from within or outside the Parish.

Each of the existing clubs has its own membership rates or weekly fees and if you wish to join any of these, please speak to the relevant contact listed overleaf.

If the activity you are interested in is not listed and you would like to get together with others to start a club, enjoy a session or lead a group, please contact the Centre Manager on 07980 026 566 for details on availability and rates.

Rates

Charges for hire of the Sports Centre and its facilities may depend on time of hire, group size and frequency of use. Details are available from the Centre Manager.

New rate details to be issued 1 May 2010, please contact Centre Manager.

100 Club

The 100 Club is a fundraising lottery for the Sports Centre. Participants are allocated individual numbers and there is a weekly draw for cash prizes of £50, £15 and £10. The chances of winning are much greater than the National Lottery and it is an excellent way of supporting the Centre. Winners are published every week in the local paper and application forms and more details available from Chilham Post Office or the Centre Manager.
